Ref 20 Sept 60 ref 6 = 600

This index includes only individual and corporate names and titles of periodicals, newspapers and serials appearing in the entries, all arranged in one and the same alphabetical sequence. Alphabetization is on the "word by word" principle. Individual names are printed in ordinary type, corporate names in small capitals, with references to headings in groups C, E and F in big capitals, and titles of periodicals, newspapers and serials in italics. Reference is made to entry-numbers and not to page-numbers.
